

Voda Ulfers - Kilgus (1911-2006) grew up near Baker country school and likely attended that school between 1916 and 1929. On this old photo, it is believed that Voda wrote "Voda's teacher" and the name "Theo Chamberlain" on the back of the photo. This old photo was recently donated to the Fairbury Echoes Museum.

Theo Flagalette Chamberlain (1906-1984) was born in Pontiac, IL, and she graduated Pontiac High School in 1924. After finishing high school, she must have taught at Baker country school which was sort of between Fairbury and Pontiac.

Theo married Paul Everett Speirer in 1926. On Ancestry.com, I found this photo of Theo with her mother and her daughter.
